Validata™ is ready to receive February extracts

If your November, December and January extracts have been submitted to Validata™, you can now upload and submit your February extract.

2018-19 6 month snapshot

The second quarterly snapshot for 2018-19 has been taken successfully with rates averaging 99.9% nationally. We closed the quarter recording 100% submissions from July to November 2018 and 99.7% in December 2018. This is a fantastic result!

The data collected will be used to produce future SHS reports and statistical summaries as well as providing the framework to inform Governments across Australia to fund a range of services to support people who are homeless or at risk of homelessness.

6 month Statistical Summary Reports available in March

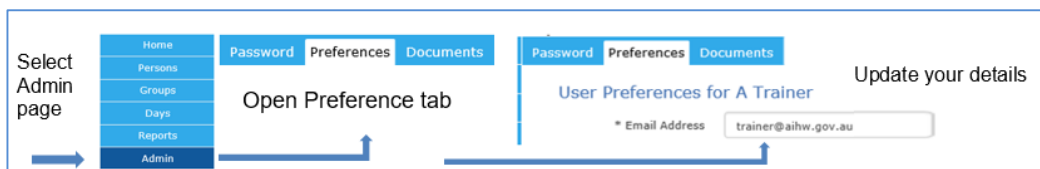

The Statistical Summary reports for the 6 month period 1 July 2018 to 31 December 2018, are scheduled to be available to view on Validata™ by agencies and legal entities on 6 March 2019. Validata™ users with 'Reports' access can view their SHS agency Statistical Summary reports by selecting the 'Reports' tab in Validata™. If you have any queries or require assistance, please contact the SHS collection support hotline on 1800 627 191 (option 2).
