

# Appendix 7: 1995–96 results

The following tables summarise the results of the 1995–96 report on expenditures on health services for Aboriginal and Torres Strait Islander people. Per person estimates have been adjusted to reflect revised population estimates for 1995–96. These revised estimates record 381,402 Aboriginal and Torres Strait Islander people. The 1995–96 report used an estimate of 367,808 Aboriginal and Torres Strait Islander people.
