Preface

This publication contains statistical tables and charts in relation to Northern Territory and is intended to supplement the Series 13 (2007-08) annual national report on the Supported Accommodation Assistance Program (SAAP) National Data Collection (AIHW 2009). The first national report, containing 1996-97 data, was published in December 1997. The reports provide information on people who are homeless or at risk of being homeless.

The Australian Institute of Health and Welfare manages the SAAP National Data Collection Agency, and works closely with SAAP agencies which collect and provide data, and the SAAP Information Subcommittee, to produce these reports. The SAAP Coordination and Development Committee is responsible for the national direction of SAAP and provides valuable support in the reporting process.

From 1 January 2009, the SAAP V Agreement between the Australian Government and the states and territories will be replaced by the National Affordable Housing Agreement, and a new National Partnership Agreement on Homelessness. The new agreements emphasise the ongoing importance of a sound evidence base for policy development and program management.

Acknowledgments

This report was prepared by staff of the SAAP National Data Collection Agency (NDCA) at the Australian Institute of Health and Welfare (AIHW). The Information Services and Publishing Unit of the AIHW provided assistance in preparing the report for publication.

Alison Verhoeven and the SAAP Information Subcommittee provided helpful comments on the draft report.

This report draws together a large amount of statistical material and could not have been produced without the efforts and cooperation of SAAP service providers and clients, who provided service and client information, and of the Australian Government Department of Families, Housing, Community Services and Indigenous Affairs (FaHCSIA) and the Northern Territory Department of Health and Community Services, which provided administrative data.

1 Introduction

This publication is one of eight state and territory supplements that accompany the Series 13 (2007–08) annual national report on the Supported Accommodation Assistance Program (SAAP) National Data Collection (AIHW 2009). The annual report provides an overview of assistance given to clients of agencies funded through SAAP.

The tables and charts included in this supplement are generally similar to those in the national report but relate to Northern Territory only. Information to aid readers in interpreting the tables is given in Appendix 2 of the national report (AIHW 2009). Included in that appendix are:

- an overview of the Client Collection and its data
- general notes to tables
- an explanation of the weighting system used to adjust the data for agency non-participation and client non-consent
- counting rules and glossary terms used in the tables
- a guide to interpreting the tables. In particular, two example tables with explanatory notes demonstrate how to interpret data presented in the different types of tables in the report.

Appendix 2 to this supplementary report provides additional information relevant only to the interpretation of tables for Northern Territory. Appendix 3 contains a copy of the client form used to collect data in 2007–08.

Data presented here primarily relate to the financial year ending 30 June 2008. In addition, a number of tables contain data for the 12 years that the National Data Collection has been conducted (refer to Chapter 9).

Estimates in this report are subject to revision. Revised tables, along with the reports themselves, are posted on the website of the Australian Institute of Health and Welfare <www.aihw.gov.au>. Regional tables and counts for all data items collected are available in hard copy or electronic format on request from the National Data Collection Agency, which is managed by the Australian Institute of Health and Welfare (ndca@aihw.gov.au).

(a) 'Funding allocation' includes Innovation and Investment Fund allocations (refer to Appendix 1 and AIHW 2009). 'Funding allocation' by region and primary target group and 'Funding allocations to agencies' exclude funds not allocated to agencies, e.g. funds allocated for administration, training, research and evaluation (these are shown in 'Other funding allocations').

(b) For the definition of region, refer to Appendix 2, Section A2.2.

Notes

1. At 30 June 2008, 39 agencies were funded.

2. Not all funded agencies are required to participate in the Client Collection (refer to Appendix 2, Table A2.1 and AIHW 2009:Appendix 2).

3 Level of support

3.1 Key chart

3.2 Tables

Table 3.1: SAAP support periods and clients, Northern Territory, 2007–08

Support periods	4,100
With accommodation	2,500
Without accommodation	1,600
Clients	3,100
Mean number of support periods per client	1.34
Clients per 10,000 population aged 10+ years ^(a)	172

(a) 'Per 10,000 population aged 10+ years' shows how many people out of every 10,000 aged 10 years and over in the general population became SAAP clients. The rate is estimated by comparing the number of SAAP clients aged 10 years and over with the estimated resident population aged 10 years and over at 30 June 2007 (preliminary estimates).

Notes

1. Number excluded due to errors and omissions (weighted): 0.
2. The number of clients in this table relates to the first visit for that client in Northern Territory. Since a client may have support periods in more than one state or territory, state and territory figures do not sum to the national figure.
3. Support period figures have been weighted to adjust for agency non-participation.
4. Client figures have been weighted to adjust for agency non-participation and client non-consent.

Table 3.2: SAAP accompanying child support periods and accompanying children, Northern Territory, 2007–08

Accompanying child support periods	2,600
With accommodation ^(a)	1,400
Without accommodation ^(a)	1,100
Accompanying children	2,200
Mean number of accompanying child support periods per accompanying child	1.20
Accompanying children per 10,000 population aged 0–17 years ^(b)	363

(a) Dates of support and accommodation are not collected for accompanying children. For the purposes of calculating the number of accompanying child support periods with and without a period of accommodation, accompanying children are assumed to be accommodated if their parent or guardian was accommodated.

(b) 'Per 10,000 population aged 0–17 years' shows how many people out of every 10,000 aged 17 years and under in the general population accompanied SAAP clients. The rate is estimated by comparing the number of SAAP accompanying children aged 17 years and under with the estimated resident population aged 17 years and under at 30 June 2007 (preliminary estimates).

Notes

1. Number excluded due to errors and omissions (weighted): 0.
2. The number of accompanying children in this table relates to the first visit for that child in Northern Territory. Since a client with accompanying children may have support periods in more than one state or territory, state and territory figures do not sum to the national figure.
3. Accompanying child support period figures have been weighted to adjust for agency non-participation.
4. Accompanying children figures have been weighted to adjust for agency non-participation and client non-consent.

(a) 'Per 10,000 population' shows how many people out of every 10,000 in the population of that sex and age group became SAAP clients. The rate is estimated by comparing the number of SAAP clients with the estimated resident population in the designated sex and age group as at 30 June 2007 (preliminary estimates). For the age group 'Under 15 years', only those aged 10–14 are included in the calculations.

(a) 'Total funding' and 'Funding to agencies' for 1999–00 and 2000–01 include relatively small amounts provided through the Partnerships Against Domestic Violence Program (AIHW 2001a:Table 2.1, 2001b:Table 2.1).

(b) SAAP agencies may receive funding from sources other than SAAP. This is not included.

(c) 'Funding per support period' and 'Funding per client' are based on funding allocations to agencies.

(d) Funding for 2006–07 and 2007–08 includes Innovation and Investment Fund allocations. Refer to Appendix 1 and AIHW 2008.

Notes

1. In 2005–06 the definition of a support period, the definition of a client and the statistical linkage key were changed. Data from that point on are therefore not comparable to previous years.
2. Refer to AIHW 2009:Chapter 9 for further information.
3. Support period figures have been weighted to adjust for agency non-participation.
4. Client figures have been weighted to adjust for agency non-participation and client non-consent.

Notes

1. In 2005-06 the definition of a support period, the definition of a client and the statistical linkage key were changed. Data from that point on are therefore not comparable to previous years.
2. The number of clients in this table relates to the first visit for that client in Northern Territory. Since a client may have support periods in more than one state or territory, state and territory figures do not sum to the national figure.
3. Refer to AIHW 2009:Chapter 9 for further information.
4. Support period figures have been weighted to adjust for agency non-participation.

COMPLETED FORMS WILL BE KEPT STRICTLY CONFIDENTIAL

If you have any problems completing this form please telephone the SAAP NDCA hotline on 1800 627 191 or email ndca@aihw.gov.au

RETURNING FORMS TO THE NDCA

- In the first week of each month, send the forms of *clients who have left the agency in the last month* to the NDCA in the prepaid envelope provided.
- **Forms should reach the NDCA by the 15th of each month.**
- Include a completed Form Return Sheet with your forms. If no clients left your agency in the last month record **zero** forms to return on the Form Return Sheet. This ensures that your agency is counted as participating in the National Data Collection. The NDCA is required to notify State/Territory funding departments of agencies that do not return forms (or Form Return Sheets) each month.

30 JUNE 2007 AND 31 DECEMBER 2007

- In the first week of July 2007 and in the first week of January 2008, you should notify the NDCA of clients who are still being supported as at 30 June 2007 and 31 December 2007.
- For clients who are ongoing at 30 June 2007, transfer the information from the old 2006–2007 form to the new 2007–2008 form. Return the old form to the NDCA along with the forms of clients who have left your agency in the last month. Retain the new form in your agency until the client has finished his/her support period.
- For ongoing clients at 31 December—use the December Form Return Sheet and note in the box provided the number of clients being supported on 31 December 2007. It is important to send in a December Form Return Sheet even if you did not have any client forms to remit or you had no ongoing clients.

If you do not need the materials sent to you, please return them in the NDCA Reply Paid envelope.
