# List of tables

Table 1.1:	Percentage of each tenure group, state/territory, 1999 .....	8
Table 2.1:	Eligibility and payment scales for CRA for Centrelink clients (dollars per fortnight), 20 March 2000 .....	14
Table 2.2:	Private renter households: total income units and households at June 2001 and estimated annual CRA payment for each household by state/territory, 2000-01.....	20
Table 2.3:	Private renter households: percentage of households receiving CRA by household income quintile, 1999.....	21
Table 2.4:	Private renter households: annual average CRA amount by household income quintile, 1999 .....	22
Table 2.5:	Private renter households: proportion of CRA recipients among private renters and proportion of private renters in the total population by state/territory, 1999 .....	22
Table 2.6:	All households: percentage of total CRA benefit and percentage of households receiving CRA in total population by household income quintile and state/territory, 1999.....	24
Table 2.7:	Private renter households: proportion of CRA recipients from all private renters and proportion of private renters in the total population by household composition, 1999.....	25
Table 2.8:	Percentage of total CRA benefit and percentage of households receiving CRA in total population by household composition and income quintile, 1999.....	27
Table 2.9:	Private renter households: proportion of CRA recipients from all private renters and proportion of private renters in the total population by age group, 1999.....	28
Table 2.10:	All households: percentage of total CRA benefit and percentage of households receiving CRA in total population by household income quintile and age of reference person, 1999 .....	29
Table 2.11:	Public rental households: total rebated households at 30 June and estimated annual rent rebate in CSHA public housing program by state/territory, 1 July 2001 to 30 June 2002 .....	30
Table 2.12:	Public rental households: annual rental subsidy amount (\$) per household by household income quintile, 1999 .....	31
Table 2.13:	Public rental households: distribution of rebate by household income quintile (%), 1999.....	32
Table 2.14:	All households: percentage of total rental subsidies and percentage of households occupying public housing in receipt of rental subsidies in total population, state/territory by household income quintile (%), 1999 .....	34

Table 2.15: All households: proportion of public housing renters who are rebated and proportion of all public housing renters in the total population, by state/territory, 1999.....	35
Table 2.16: All households: percentage of total rental subsidies and percentage of households occupying public housing in receipt of rental subsidies in total population, by household composition by household income quintile, 1999 (%).....	37
Table 2.17: All households: proportion of public housing renters who are rebated and proportion of all public housing renters in the total population by household composition, 1999.....	38
Table 2.18: All households: percentage of total rental subsidies and percentage of households occupying public housing in receipt of rental subsidies in total population by age of household reference person and income quintile (%), 1999.....	40
Table 2.19: Proportion of public housing renters who are rebated and proportion of all public housing renters in the total population by age group, 1999.....	40
Table 3.1: Aggregate tax expenditures (\$), 2001 constant price), Australia, 1999–2001.....	47
Table 3.2: Per household tax expenditures (\$), 2001 constant price, Australia, 1990–2001.....	48
Table 3.3: Mean dwelling values, equity and household income across regions, 1999.....	55
Table 4.1: Average annual benefit in dollars by housing tenure and income quintile, Australia, 1999.....	65
Table 4.2: All households receiving assistance: average annual benefit to households in dollars by housing tenure and income quintile by state/territory, 1999.....	66
Table 4.3: All households receiving assistance: average annual dollar benefit received per household by tenure type and age of reference person, Australia, 1999.....	67
Table 4.4: Distribution of each tenure group across income quintiles, Australia 1999.....	68
Table 4.5: Percentage of each tenure group within income quintiles, Australia, 1999.....	69
Table 4.6: Percentage of each tenure group within state/territory, 1999.....	70
Table 4.7: Percentage of each tenure group by age of reference person, Australia, 1999.....	71
Table A1: Marginal personal income tax rates, 1993 to 2000–01 (%).....	76
Table A2: Tax expenditures from capital gains tax exemption, 1990–2001.....	77
Table A3: Tax expenditures from imputed rent exemption.....	78
Table A4: Per household tax expenditures, 1990–2001.....	80
Table A5: Ratio of income units to households and estimated number of households which receive CRA by state/territory, Australia, 1999.....	84
Table A6: Comparison of 1999 AHS and administrative data.....	85

Table A 1.1:	Real government expenditure on CSHA assistance, CRA and rent rebates (\$m in current and constant prices), 1990–91 to 2000–01 .....	88
Table A2.1:	Annual average amount of CRA by household income quintile and state/territory, 1999 .....	89
Table A2.2:	Annual average amount of CRA by household income quintile and household composition, 1999 .....	90
Table A2.3:	Annual average amount of CRA by household income quintile and age of reference person, 1999 .....	91
Table A2.4:	Annual rental subsidy amount (\$) by household income quintile by state/territory, 1999.....	92
Table A2.5:	Annual average rental subsidy amount (\$) by household composition by household income quintile, 1999 .....	93
Table A2.6:	Annual average rental subsidy amount (\$) by age of household reference person by household income quintile, 1999.....	94
Table A3.1:	Dwelling values, debt and housing costs, Australia, 1999 .....	95
Table A3.2:	Tax benefits by household income and tenure, Australia, 1999.....	96
Table A3.3:	Dwelling values, debt and housing costs, all owners by household income and age, Australia, 1999 .....	97
Table A3.4:	Dwelling values, debt and housing costs, outright owners by household income and age, Australia, 1999 .....	99
Table A3.5:	Dwelling values, debt and housing costs, purchasers by household income and age, Australia, 1999 .....	101
Table A3.6:	Tax benefits by household income and age, all owners, Australia, 1999.....	103
Table A3.7:	Tax benefits by household income and age, outright owners, Australia, 1999 .....	105
Table A3.8:	Tax benefits by household income and age, purchasers, Australia, 1999.....	107
Table A3.9:	Dwelling values, debt and housing costs, all owners by household income and state, Australia, 1999 .....	109
Table A3.10:	Tax benefits by household income and state, all owners, Australia, 1999.....	111
Table A3.11:	Dwelling values, debt and housing costs, purchasers by household income and state/territory, Australia, 1999 .....	114
Table A3.12:	Tax benefits by household income and state/territory, purchasers, Australia, 1999 .....	116
Table A3.13:	Dwelling values, debt and housing costs, outright owners by household income and state/territory, Australia, 1999 .....	119
Table A3.14:	Tax benefits by household income and state/territory, outright owners, Australia, 1999 .....	121
Table A4.1:	Total government assistance by assistance type (\$ billion), 2001–02.....	124
Table A4.2:	Average dollar amount (\$) of government assistance by assistance type, 2001–02 .....	124

Table A4.3:	Distribution of government assistance in income quintile by assistance type, 1999.....	125
Table A4.4:	Distribution of government assistance in state/territory by assistance type, 1999.....	125

# List of figures

Figure 2.1: Government expenditure on CSHA funding and CRA (1990–91 to 2000–01) in real term (prices of 1999–2000 year).....	16
Figure 2.2: Distribution of beneficiary in private renters and public housing renters, Australia, 1999 .....	19
Figure 2.3: Annual average CRA amount per household by state/territory, 1999.....	23
Figure 2.4: Annual average CRA amount per household by household composition, 1999 .....	26
Figure 2.5: Average annual CRA amount per household by age of household reference person, 1999 .....	28
Figure 2.6: Average annual rental subsidy amount per household by state/territory, 1999 .....	33
Figure 2.7: Average annual rental subsidy amount per household by household composition, 1999 .....	36
Figure 2.8: Average annual rental subsidy amount per household by age of household reference person, 1999 .....	39
Figure 3.1: Tax benefits by household income and tenure type, Australia, 1999.....	51
Figure 3.2: Dwelling value and equity by age and income .....	52
Figure 3.3: Tax benefits by age and household income, 1999 .....	54
Figure 3.4: Distribution of values of owner-occupied dwellings within each state/territory, 1999.....	55
Figure 3.5: Distribution of equity in owner-occupied dwellings within each state/territory, 1999.....	56
Figure 3.6: Distribution of income of owner-occupiers within each state/territory, 1999....	56
Figure 3.7: Distribution of tax expenditures within each state/territory, 1999.....	57
Figure 4.1: Total government assistance (\$ value) across tenure and type of assistance, Australia, 2001 .....	60
Figure 4.2: All households receiving assistance: Average annual benefit dollar amount per household across tenure and type of assistance, Australia, 2001.....	61
Figure 4.3: Distribution of total government assistance across income quintiles by type of housing assistance, Australia, 1999.....	62
Figure 4.4: All households receiving assistance: Distribution of total government assistance by type of assistance within each state/territory, Australia, 1999.....	63

# Abbreviations and symbols

## Abbreviations

ABS	Australian Bureau of Statistics

## Symbols in tables

\$	Australian dollars
%	Per cent
..	Not applicable
—	Nil or rounded to zero (including null cells)
*	When used in front of a numerical value increases the value is subject to sampling variability too high for most practical purposes and/or the relative standard error is between 25% to 50% inclusive.
**	When used in front of a numerical value increases the value is subject to sampling variability to high for most practical purposes and/or the relative standard error is more than 50%

# Acknowledgments

The authors wish to express their gratitude to the Australian Housing and Urban Research Institute (AHURI) who contributed to the funding for this project.

We would also thank the following AIHW staff for their assistance:

Priscilla Dowling, Kerrily Jeffery, Tracie Ennis and Kristy Logan from the Housing Assistance Unit provided their editorial comments on draft;

Rose Karmel from Aging and age care Unit made construction comments on part 2 section.

In particular, construction comments provided by Head of the Resource Division Ken Tallis are very much appreciated.

Dr Diana Gibson, Head of the Welfare Division and Dr Richard Madden, Director of the AIHW made many valuable comments and editorial suggestions.
